Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Monday 23 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A bright and settled week ahead.

Today:
A bright start to the week with sunny spells across the region, remaining dry throughout the day with variable cloud. Feeling pleasant in the sunshine with light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
A cooler night to be expected than recent nights as variable cloud begins to ease, leaving a dry night with clear spells. A few mist patches forming towards dawn. Minimum temperature 13 deg C (55 deg F).

Tuesday:
Any morning low cloud, mist and perhaps drizzle will soon clear, leaving a fine and dry day with prolonged sunshine. Feeling warm. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
Fine and dry weather with prolonged sunshine. Feeling warmest on Wednesday, turning cloudier on Thursday, but brightening up on Friday.
